2019 Stewardship Renewal
 Adult

Stewardship is Discipleship. One does not exist without the other. To be a disciple means acknowledging the reality that all is gift. A preface to the Eucharistic Prayer at Mass says it best: “even our ability to say thank you, that itself is your gift to us.” Once that truth sinks into our heart and mind, there is a great joy that emerges, because it is there, in that space, that we live each moment to the full, and become fully alive!

STEPS TO CHOOSING MINISTRIES:

- Find a quiet place and time. Maybe spend some time in Adoration.
- Pray. Ask the Holy Spirit to guide, inspire and help you to discern your call to ministry
- Reflect. Do I have any special abilities or experience, including life experiences?
- Review the Ministry Guide or the ministries listed on our website. Sometimes just looking at what is available will provide the revelation you need to make a choice and get involved. What grabs my attention or peaks my interest? How would I like to grow or what would I like to learn? How might my gifts, talents, abilities, experience and skills be used in one of these ministries. Where is God calling me to serve?
